Boarding students are supposed to enter into school at 4:00 pm on Aug 28. Non–boarding students are supposed to enter into school at 7:30 am on Aug 29.

The parent letter was sent out via wechat groups yesterday contains important information about requirements for entering campus and required documents for submission. ATTENDANCE POLICY

Parents should contact with national advisory by 8:00 *am* on the day their child will be unable to attend school. The specific reason for the absence should also be given at this time. If a student is absent for a full day, the parents should take the child's temperature in the morning, mid–day, and the afternoon and inform the school of the temperatures by contacting with national advisory.

If a student is absent for any day due to any reason except fever, the student is required to take a COVID–19 test the day before they return to campus. After your child has taken a test, we seek your assistance in informing the national advisory that your child has taken a test within the day and submitting a negative test result to the national advisory when the result comes out.

If students have a temperature of 37.3°C or higher,

- Please keep your child at home and consult a doctor and inform the national advisory stating your child's temperature, symptom(s), and treatment plan.
- The student must remain at home until symptoms resolve and the student is fever free for 24 hours. The student must then complete a COVID–19 test the day before returning to school and inform the national advisory of the negative test result.

UPDATED FOOD SERVICES PROGRAM

Healthy, well-balanced food is crucial for each student's development. This starts with a kitchen that meets health standards. Local government authorities regularly check our kitchen and dining areas to ensure that all hygiene standards are met and follow hygiene procedures. The cafeteria staff purchases food and beverage products from trusted vendors only, and they carefully select meat, vegetables, and fruit each morning.

Each school day, the cafeteria provides lunch menu for all staff and students. As part of our continuous effort in providing varied and wholesome school lunches, the school has made some changes to our lunch format. The changes are as follows:

	Last School Year	New School Year
Main dish	Choose one out of three (Korean/Western/Chinese)	Choose one out of three (Korean/Western/Chinese)
Meat dish	Choose one out of two	One dish is provided
Vegetable dish	Choose two out of three	Two vegetable dishes are provided

Removing the number of dishes will allow the cafeteria to improve food quality. It will also help reduce waiting times as students spend less time choosing what dishes to get.

The prices remain the same. Students can get Korean and Western at 20 RMB and Chinese at 15 RMB. All lunch menus come with seasonal fruits and optional grains/appetizer. Other available optional items include seaweed packets (2 RMB) and packet fruit juices (5 RMB)

The school works closely with the cafeteria management to improve our food service program. If you have any questions and feedback, please contact with your national advisory.

SCHOOL UNIFORMS

YIA students are required to wear uniforms when they enter school. Please prepare tidy uniforms for students.
