INTERNATIONAL DAY

International Day is our annual tradition at YHIS of celebrating our diversity and learning about countries. This year's International Day is taking place from 11:30 am to 2:30 pm on **Saturday**, October 22.

The program will begin with a flag parade. As with previous years, a student representative from each home country, class, and advisory group will be selected by their teachers to be flag-bearers. After the last flag-bearer enters the parade, all students will take turns to join in the walk around campus.

YHIS & YIA TALENT SHOW

YHIS & YIA is having a Talent Show on Friday, October 21! It will be held in the Large Auditorium during the school day. A judging panel comprised of teachers and parents will select the winners for three categories: Best Quality Talent, Most Popular with Audience, and Best Effort. Thank you to all students who submitted their performance videos and registration forms. Ms. Forstrom has individually notified students who will perform. If you have any questions, please contact Ms. Forstrom at lexi.forstrom@yhischina.com. We look forward to seeing our students share their talents.

PARENT PARKING SPACES

We understand some of our parents drop their child(ren) off at the north gate daily and that they are having difficulty finding a place to park their car, especially in the morning, when the traffic is heavy. As such, the school has made four parent parking spaces at the front of the school. These spaces are only for parents who need to drop off their child or temporarily park their cars. The guard will also help make sure only parents use these spaces.

ATTENDANCE POLICY–EPIDEMIC PREVENTION REQUIREMENTS

If a student is unable to arrive at school on time, parents should contact the Chinese tutor at least before 7:50 in the morning and explain the specific reason for the absence. If a student is absent from school for a day, parents should measure their child's temperature in the morning, noon and afternoon, and report the results to the Chinese tutor.

In addition to fever, students who are absent from school for other reasons should undergo nucleic acid testing the day before returning to school. After your child has completed the nucleic acid test, we hope that you can contact the Chinese tutor on the same day that your child has completed the nucleic acid test and submit a negative result to the Chinese tutor after the test results come out.

If students have a temperature of 37.3°C or higher,

- Please keep your child at home and consult a doctor and inform the national advisory stating your child's temperature, symptom(s), and treatment plan.
- The student must remain at home until symptoms resolve and the student is fever free for 24 hours. The student must then complete a COVID-19 test the day before returning to school and inform the national advisory of the negative test result.

ABSENCE HANDLING PROCEDURES AND POLICIES

1. be late

If students are unable to arrive at school on time, parents should contact the Chinese tutor at least before 7:50 am on the same day. Students who arrive later than 8:00 a.m. should go to the Chinese tutor's office for registration with the "Late Arrival Form" issued by the front desk on the first floor before they can attend class.

Students are warned twice late. Students will be required to have a one-on-one meeting with the principal if they are late three times in a semester

talk. If a student is late frequently during a quarter, the principal will meet with the parents of the late student. The number of late arrivals will be

Cleared at the beginning of each new school season.

2. Leave early

If the student really needs to leave the school before the end of school (due to illness, handling public affairs, doctor's appointment, etc.), parents should contact the Chinese teacher in advance.

3. Excused absence from work

Excused absences include illness, death of family members, and pre-approved family activities.

In cases of excused absence, parents should contact the Chinese tutor at least before 7:50 am on the day of absence. Students who have accumulated more than three absences due to illness in a semester must come to school with a certificate issued by a doctor. If you are absent from work for 2 days or more due to work or illness, you must apply in writing to the principal at least one week in advance.

*Students who are unable to attend classes due to illness will not be able to participate in sports activities.

4. Unexcused absence from work

Students who are absent without a reasonable excuse will receive zero marks on assignments or exams for the day and will not be eligible for the day after-school activities. Unexcused absences on Friday will result in students not being able to participate in weekend activities.
